Personal Statement :

With over 23 years of teaching experience at Charville Academy, I have a strong understanding of school life and the importance of supporting every child to thrive.

I have a particular passion for Early Years, reading, phonics and Early Maths. As a Reading Recovery teacher, I particularly enjoyed helping children build confidence and become independent readers. I also valued working closely with parents, colleagues and student teachers to support children's progress.

Since retiring, I have continued to work as a supply teacher, keeping me connected to education. I also volunteer at Hillingdon Museum and a local historic site. In my spare time, I enjoy travelling, handwork and reading.

I am delighted to contribute my experience as a governor and support the school, staff and pupils in achieving the best outcomes for every child.
