Personal Statement :

I bring a wealth of leadership management and organisational experience to the role through my work as a dual-site manager in retail, overseeing stores along the M25. This has developed my ability to manage competing priorities, make informed decisions, solve problems and support teams to achieve their goals. As a governor, I am committed to working collaboratively with fellow governors and school leaders to support continuous improvement and ensure the best possible outcomes for pupils. I value open communication, teamwork and constructive challenge, and believe that listening to different perspectives is essential to making well-informed decisions. I bring a practical balanced approach, strong attention to detail and a genuine commitment to making a positive difference to the school community. Outside of work, I enjoy keeping fit through running and weightlifting several times a week. I also love cooking and travelling, which allows me to explore new experiences and broaden my horizons. At home, I have a much-loved Bullmastiff called Dave, who is convinced he is my best friend! I believe my professional experience, enthusiasm and commitment make a valuable contribution to the governing body.
