Dear parents and carers,

I'm writing to inform you that to maintain a focused learning environment, please ensure that your child does not bring toys, including fidgets into school. We do have resources available in school to support children that may require them.

Toys can be a distraction from learning and may lead to upset if they become lost or damaged.

Please note that if children do bring these into school they will be collected in and returned at the end of the school day.

Thank you in advance for your support.

Yours sincerely

N Kelly
