Weekly Newsletter

13th November 2026

Welcome to this week's newsletter.

This week began with an assembly to teach the children about the significance of Remembrance Sunday and then on Wednesday the children attended a special assembly for Remembrance and the school fell silent for two minutes at 11am. Thank you to all the purchased poppy merchandise this year; all money raised goes directly to the British Legion to support the valuable work that they do.

This week we are also supporting Children In Need with the sale of official merchandise. All money raised goes directly to the charity to support the great work they do to support children in need of support.

We are having ongoing issues with parking on Bury Avenue during morning drop off and afternoon pick up. Please do not park on double yellow lines, block resident's driveways or stop on Bury Avenue to let your children out. We do have use of the Community Centre car park at these times and ask that you park and then walk to the relevant gate. Thank you in advance for supporting this to improve.

We are currently working directly with Young Carers in Schools and are working to support children who have a caring role within the family. If you think your child maybe a Young Carer please email office@charvilleacademy.org and for more information please follow this link:

AS Captain Walton Stood on the Saint Bernard Ship, he could feel the light breeze of the Antartic ocean. Captain Waton felt alone, and missed his beloved Sister in Switzerland. He looked out at the cold, icy water instront of him. He thought about his Sister and thought, "will I ever see her again or will I come back in one peice?" He took a deep, heavy breathe and Saw the cold misty fog ahead.

AS captain Walton looked out from his telescope, he saw a Strainge looking man approching the ship. "Oi what are you doing on my Ship, why do you look worried?" he questioned while assisting the mysterious, pale man. The man was shivering and had fear in his eyes. He replied, "I-I am running away from my c-cr-creation!" Captain Walton exclaimed "What do you mean?" "I made a monsterous creature because in University I was in love with Science and wanted to make a no normal human being out of ~~deed~~ dead human body parts and Stich it all together So I did but I-I made a monsterous beast!" Captain Walton was amazed on his achievements.

Suddenly the boat rocked side to Side, which caught captain Walton off gaurd. Out of no where a mysterious man with Stiches on his forehead appeard instront of them. Captain Walton thought, "Is this the man he ~~was talked about~~?" he talked about

Windsor Castle

Year 2 had a fantastic time visiting Windsor Castle on Thursday 12th December! The children thoroughly enjoyed learning about the castle's rich history and fascinating features. They followed in the footsteps of kings and queens as they explored the magnificent State Rooms and the famous St George's Chapel. A particular highlight was watching the spectacular Changing of the Guard ceremony. The children also participated enthusiastically in an interactive workshop, **'All About Castles'**, where they deepened their understanding of castle life and history. It was a wonderful day filled with excitement, discovery and memorable learning experiences!

Victorian Day

The children in Year 5 have had a fantastic Victorian Day, filled with exciting opportunities to learn about life and healthcare during the Victorian period. They took part in a workshop with 'Florence Nightingale', discovering more about her work and how she cared for sick and injured soldiers during the Crimean War (1853–1856).

Special thanks go to Fiona Murray, an NHS nurse, who visited the children and showed them how to bandage a wound and wash their hands properly. The children enjoyed learning about the importance of cleanliness, caring for others and helping people who are unwell. Fiona's practical demonstration helped to bring their history learning to life and gave the children a chance to ask questions and share their ideas.

It was lovely to see the children so engaged throughout the day. They listened carefully, joined in enthusiastically and enjoyed sharing what they had learned. We are very proud of the way they represented Year 5.

Hillingdon Hockey Tournament

Last Friday we visited Eastcote Hockey club for the annual competition. Our two teams of young athletes performed extremely well winning some very tight competitive games. We placed third in our group narrowly missing out on the semi-finals. Well done everyone!

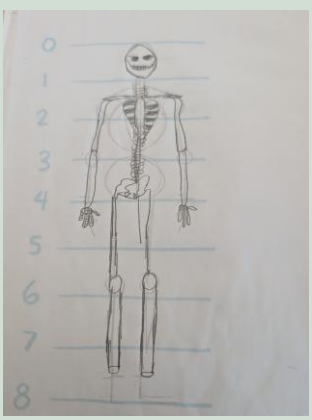

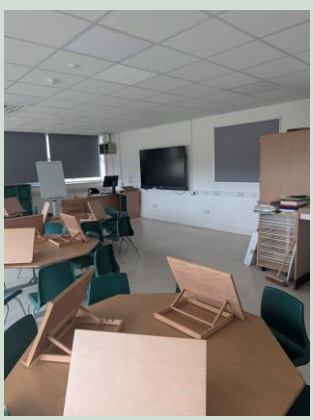

Sarah's Studio

Children across the school have been thoroughly enjoying our dedicated Art and Design Technology space, Sarah's Studio! This wonderful space has become a hub of creativity, imagination and hands-on learning, where pupils can explore new skills, express themselves and bring their ideas to life.

We would like to say a huge thank you to CPC (https://www.thecpc.ac.uk/) for their incredibly generous grant, which has made this fantastic space possible. We are so grateful for their support in helping us create an inspiring environment for all our pupils to enjoy!

Open Day

Wednesday 25th November 2026

Start Time 10am

Is your child starting Nursery or Reception in 2027 or 2028?
If so, please come along to our Open Morning on Wednesday 26th November 2025. You will have the opportunity to meet the Headteacher and Early Years staff as well as see our school. We are currently over subscribed and have a waiting list in Reception so we encourage you to apply early for September 2027.

'Pupils' learning across all subjects is enriched through reading non-fiction texts selected by leaders that are specifically relevant to what pupils are studying. Leaders have taken care to reflect the diversity of backgrounds represented by pupils and their families in the school's community.' **Ofsted May 2023**

Inspiring a love of life long learning
