

Charville Academy Weekly Newsletter

Friday 7th September 2018

WELCOME BACK

On Wednesday we welcomed back all the children and welcomed our Reception children into main school. I would like to say a particular welcome to families and children that are joining our school for the first time; we look forward to getting to know you and supporting your child with their learning.

Please remember that we are here to help with any queries you may have so if you have any questions please contact us and we will do our very best to help.

ATTENDANCE

Attendance is a key focus for our school and we need your help. The national expectation for a child's attendance across the year is 95%+. In order to achieve this children need to be encouraged and helped to be in on time every day. We will continue to aim to achieve and hopefully exceed 95% and in order to do this **NO** term time holidays will be authorised.

SUMMER PROJECTS

Over the summer holidays a number of projects were completed. Parental feedback is always useful and we do appreciate the positive comments we have received recently about how the school is looking much better.

We have installed new internal doors in main reception in order to improve security and make reception more inviting. We have also completely refurbished the library in order to promote reading further. We have also installed a canopy at the front of the Year 6 block and had an outdoor multi gym installed on the KS2 playground. This will be used by all in PE and by KS2 at break and lunchtimes. We also commissioned an artist to paint a mural using the work of Year 5 and Year 6.

Huge thanks go to Mrs McCarthy (School Business Manager) and Mr Smith (Site Manager) for leading on these projects throughout the six weeks.

VALUES

RESPECT

This month we are all focussing on the value of RESPECT.

This is explained to the children as being able:

To think and act in a positive way.

During Wednesday's assembly we looked at what this value means for our learning, how we behave and linked it to self respect.

This year the academy uniform is **COMPULSORY** and thank you to all the parents/carers that are ensuring that their children have a branded jumper/ cardigan and the school tie.

We have already found some of these items after they had been lost so please ensure they are named and that your children know to take care of their belongings.

COFFEE MORNING

Just a reminder that coffee mornings start back again next Wednesday. We will be in the lower hall as usual from drop off. Please come and join us if you can. This week we will be taking your ideas of topics you would like us to cover in the coming weeks. In addition all the year group leaders will be in attendance so that you can ask any questions that you may have. We look forward to welcoming many of you then.
