VALUES

RESPECT

During this week's assembly we spoke about the value as Thinking and Acting in a positive way.

The children were confident in talking about how to show respect at home and at school.

We also spoke about our SPONSORSHIP EVENT and children should have come home with forms, which are due in by 24th September.

Next week's assembly will be linked to self-respect as we are working on supporting the children with their own self esteem.

This week Charville Academy has been awarded the GOLD Kitemark for School Games. A huge thanks to Mr Quinn and everybody involved in ensuring that our children get a wide range of opportunities. This is a brilliant reward for our commitment to the development of competition across the school and into the community and we are delighted to have been recognised for our success. We are very proud of all of our sporting achievements!

Values Ambassadors

Well done to the children who were awarded the ambassador certificate and attended the Headteacher's Tea Party.

COFFEE MORNING

Lovely to see many people at the first coffee morning of the year. Following the parental feedback and ideas from the session we will be aiming to address as many of these subjects as possible.

Next week we will be joined by Mrs Bennett from the Dining Room staff who will be gathering your ideas for menu choices and answer any of your questions.

We look forward to welcoming many of you then.

Along with *Inspired through Sport* we will be holding our Sponsorship day on Monday 24th September. The children will meet British athlete Rion Pierre where the goal your child has set will be shared and how they have progressed towards this. Please can the children bring in the money they have raised by Monday 24th September in a labelled envelope. We hope to raise lots of money for PE/playground equipment.

On **Friday 21st September** we will be supporting **Jeans for Genes**. The children are able to come in denim clothing for a donation of £1.00. The money raised on Jeans for Genes Day funds a range of initiatives that improve the quality of life of children affected by genetic disorders. This is a worthy cause that we support every year. If your child does not have denim clothing they can wear their own clothes and still bring in a donation.
