## Friday 21st September 2018

### GOVERNORS

Full Governing Body met on Wednesday 12<sup>th</sup> September and I would like to say a huge thank you to all the Governors that came forward for different roles and responsibilities.

Mr David Coleshill has been re-elected as Chair of Governors and Mrs Beverley Deane has been elected as Vice Chair. Other Governors were also elected to lead on Safeguarding, Curriculum and Health and Safety.

I would like to say a particular thanks to Mr Bob Charlton who stood down as Vice Chair after 3 years, due to other commitments. He will remain on the board and we thank him for his continued support.

Minutes of the FGB meeting on the 17<sup>th</sup> July were approved at the FGB meeting held on the 12<sup>th</sup> September and these are available on request / are on display on the Governor Board.

### VALUES

The children are all aware of the value of the month and are able to explain what RESPECT looks like.

We also focused on Jamie Cooke and Dina Asher-Smith as athletes who have gone on to be successful and demonstrate core values in what they do.

In next week's assembly we will be welcoming Rion Pierre, former England footballer turned sprinter and celebrating our sponsorship event.

## HOW CAN SERVICES WORK BETTER TOGETHER?

'Year Here' are working with Hillingdon NHS and the Clinical Commissioning Group (CCG) to try and create a more joined up and people focused approach to health and social care. To make this really successful, they would like to speak with users, patients and staff from right across Hillingdon borough. This will enable them to get a rich narrative of experiences, challenges and opportunities to help design future NHS and social care services. Please read attached flyer for the details.

Freya and the team would like to speak with parents/carers patients and users via 30 min - 1 hr interviews, or longer 2-3 hr interviews (which look in more depth and will take place in your homes), and they are able to offer a £10 per hour gift voucher as a thank you for your time.

You have a valuable opportunity to participate in this research, and your wealth of knowledge will be very much welcomed in order to help shape future services in our borough. If you are interested, you can phone 07875 962550 between 9am-5pm Monday - Friday, or email Freya at [freya.brocchini@yearhere.org](mailto:freya.brocchini@yearhere.org)

A leaflet will be issued with this newsletter regarding the above project.
