### Year 3 Tate Photograph Day

Year 3 took part in global renowned artist 'Steve McQueen's' project which will be displayed in Tate Britain from November 2019 - May 2020. The project is said to be the largest group portrait ever made and will aim to showcase every Year 3 class in London.

The photographer discussed the project with the children and they had an interesting debate on whether they consider Photography to be an art form.

It was very exciting for the children to be part of this special project and they are looking forward to seeing their photograph when it has been displayed in the Tate Britain gallery.

### COFFEE MORNING

*Many thanks to all the parents/carers who came to coffee morning this week - it was a great turnout and there were some lovely positive feedback.*

*This session was in response to parental feedback where Mrs Kelly shared the vision of the school for this academic year and answered questions.*

*Next week we will be focusing on mental health and we look forward to welcoming many of you then.*

### SPORTING UPDATE

The Cross Country team competed in the borough finals earlier this week. They competed extremely well and out of 64 schools in Hillingdon the boys' team came 5<sup>th</sup> overall and the girls' team finishing in 8<sup>th</sup> position. We are very proud of every child that took part and thanks to Mr Smith and Mr Quinn for preparing the children and to all the parents/carers who supported the children.

***Well done to the football team who beat Yeading 5 - 0. Another amazing result - three wins in three games, without conceding a goal.***

### LETTERS HOME THIS WEEK

❖ Photograph Proof Letter – Nursery – Year 6

## Year 3 Stone Age Museum Day

On Thursday afternoon Year 3 had the pleasure of hosting a Stone Age exhibition. With their parents/carers, they had the opportunity to create Stone Age necklaces using pasta and feathers. Also, they had fun completing a Stone Age theme word-search, colouring in Prehistoric animals, crafting a cave and playing a fun Stone Age board game!

They had a great time showing off their magnificent art masterpieces and creative writing about the Stone Age. Thank you to all parents/carers who were able to attend the event, and we hope you enjoyed taking a step back in time to the Stone Age with us.

At Parents' Evening on Wednesday 17<sup>th</sup> October the PTA will be holding a Bring and Buy Sale, in the style of Blue Peter (for those of us old enough to remember them)! The Bring and Buy sale is the theme this year to raise money for Children in Need which takes place in November.

If you have any new, but unused toys, books and gifts please donate them as soon as possible for us to sell. We will also be selling Children in Need colour changing bracelets and ears during Parents Evening too. A huge thanks to the PTA for organising this event.

## HILLINGDON FIRE STATION OPEN DAY

We would like make you aware of our open day on **Friday 26<sup>th</sup> October** at **Hillingdon fire station**. This will be taking part between the hours of 12pm-5pm and has been a great success in recent years. We provide a wide range of activities on the day such as giving the children a chance to get on board a fire truck, try on the gear and squirt some water at targets from the hoses. Teaching is important to us so we like to give an insight as to what we do on a daily basis by performing live fire safety demonstrations and giving free fire safety advice. We

will have a number of different fire trucks there on the day all with special abilities which we would love to show and tell you about. Other attractions coming down will be a variety of food stalls, including an ice cream van and getting a chance to meet Sherlock our special fire investigation dog amongst other guide dogs and even a petting zoo!!

You could even bring your bike down and get it stamped for free by the police in order to help protect against theft.
