MINI BEASTS' WORKSHOP

Today the children in Nursery and Reception were lucky enough to have a minibeasts' workshop. During the workshop they learnt all different facts about minibeasts and were then able to stroke or hold them. Fun was had by all.

VALUES

This month continues with the value of caring for each other and showing how we care.

In assembly on Monday, we were joined by the NSPCC who focussed on how we care for each other as well as how to keep ourselves safe.

Next week the emphasis will be on Anti Bullying and how to speak out as well as support others.

ATTENDANCE

Attendance this week has been more varied. On Tuesday we only achieved 93.9% and on Thursday we were also below target at 94.65%. This is largely due to the number of children who were late. Please leave in plenty of time each day so that the children can be on time as it affects the overall attendance figure.

SHAKESPEARE PRODUCTION

Well done to the children who performed at the Beck Theatre this week as part of the Shakespeare festival. The pupils went first on stage and nerves did not show with their creative and contemporary version of 'A Midsummer Night's Dream'. It was lovely to see so many parents/carers, relatives and staff supporting the children.

A huge thanks to Mrs Abbasí and Miss Aitken for supporting the children during rehearsals and the performance - without them the opportunity would not be possible.

COFFEE MORNING

Many thanks to everyone who came to coffee morning this week. We had a lovely session talking about Anti-bullying week and what we are covering in school.

Next week we have the cast of the Shakespeare performance who are coming to perform at coffee morning.

We look forward to seeing you then.

ANTI BULLYING WEEK

We have been looking at the different ways in which we can keep ourselves safe this week as it has been **Anti-Bullying Week**. The children had a fantastic assembly from the NSPCC on Monday. In class, all year groups have completed a range of activities from drama to writing and poetry, centred around anti-bullying. The children know that our values of caring and respect can help them to be tolerant of others.

BRUSH FOR LIFE

All of the children between the Early Years (Nursery), Reception, Year 1 and Year 2 will be provided with an opportunity to speak with a dental nurse with regards to keeping healthy and the importance of brushing their teeth.

The nurse is excited to meet all of the children in each class and make brushing teeth fun.

This has been booked for the Monday 21st November for Year 1 and Year 2. *Dates for the Early Years to follow in Jan 2019.*

Pedestrian training

Pupils from Reception to Year 4 have received pedestrian training this week to help them to learn how to cross the road safely.
