~~~~~

Minutes late every day adds up to learning days lost each year. Being on time means not missing out.

It is important your child is on time EVERY DAY to make the most out of their Education.

### VALUES

We are continuing with the value of Caring and this was linked to our work around Anti Bullying.

In assembly we spoke about what bullying looks like and feels like and most importantly; what to do about it if it is happening to us.

We also spoke to the children about what to do if they think it is happening to them.

The increase in online bullying is something we all need to be aware of so please do check and monitor what your child is doing online.

## YEAR 4 SHOWCASE

On Thursday, Year 4 invited parents/carers to celebrate their learning on the Tudors.

The children joyfully shared all their work and worked alongside parents/carers to complete a range of tasks. Thank you to everyone who came and got involved.

## COFFEE MORNING

*It was lovely to see lots of people at coffee morning this week to watch our Beck Theatre Shakespeare performance. The children were fantastic and many thanks to Mrs Aitken for leading the session.*

*Next week we will be focusing on Maths and particularly times tables.*

*We look forward to seeing you then.*

## Performance at St Anselm's Church

A number of pupils participated in the "Turning on" of the Christmas Lights in Hayes Town yesterday. The Mayor of Hillingdon was there to turn on the lights and the children sang a range of carols including a famous Christmas medley.

Thanks to Mrs Aitken and Mrs Evans for accompanying the children and to all of the parents/carers who supported the children.
