Welcome Back and Happy New Year

It was good to welcome all the children back to school on Monday. I would like to say a special welcome to the new families that joined us this week.

This term promises to be very exciting as there is a lot already planned in terms of curriculum opportunities and events. Please keep up to date via our website and this newsletter.

VALUES

This month's value is Resilience and we have described this as:
Bouncing back when things are challenging and difficult.

Our focus this month will be looking at the 5 ways of wellbeing and how these can support your mental health.

The 5 ways are:

We spoke to the children in assemblies on Monday about each one of these and will be following this up in future assemblies.

ATTENDANCE

Attendance this week improved as the week went on with every day except Monday being above target.

Can I remind you that in July school will close for the summer on FRIDAY 19TH JULY. Please remember this date when booking any summer holidays as attendance the week before Christmas was particularly poor because of term time holidays.

It is important your child is on time EVERY DAY to make the most out of their education.

COFFEE MORNING

At coffee morning this week we had the Pastoral team and Mrs Roy our Welfare Officer with us and it was a good chance to find out how they support the children.

Mrs Kelly came along to talk about being a governor. She explained what being a governor involves and encouraged parents/carers present to come forward if they were interested and spread the word on the playground!

Next week Miss Byrne will be coming to talk about after school clubs along with some of the staff who run those clubs. We would love to hear your views about how we manage the clubs and the types of clubs you would like to see.

As part of Year 6's learning around their topic of World War 2, the pupils were visited by a Rabbi to learn more about the Jewish faith.

- The pupils experienced what a synagogue might look like and what is important within the Jewish faith.

The Rabbi highlighted the similarities and differences in beliefs and focused on the need for everyone to respect each other.

The pupils thoroughly enjoyed the visit.

PARENT GOVERNOR VACANCIES

We currently have 2 vacancies for Parent Governors and would welcome any enquiries.

Being a Governor is a very rewarding role and will support any CV as you get the opportunity to learn about and contribute to the improvement of the school and contribute to your community.

If you are interested, please come into main reception or speak to Mrs Kelly.

CONTACT NUMBERS

Please remember that we require 3 current contact numbers for your child/ children. We are aware that numbers often change so please ensure that if you have recently changed your number/s you need to let us know.

If we do not have 3 named contacts for your child, please contact the office with the relevant names and numbers.
