VALUES

Next week's assembly will be based on being honest about ourselves and how we are feeling.

Our children are growing up in a world where images are distorted so are not an honest portrayal of that person.

It is very important that our children are taught to be comfortable with their self-image.

ARTS WEEK 2019

During Arts Week the pupils had the opportunity to learn about continents, countries and cultures from around the World as well as art techniques popular in the country allocated to their year group.

- ✚ Pupils participated in drama workshops
- ✚ The catering team prepared a special Chinese New year menu
- ✚ Year 1 pupils cooked Chinese food and studied Mandarin
- ✚ It was lovely to see pupils dress in the colours of the flag they are studying.

SCIENCE DAY AT COLHAM MANOR SCHOOL

A number of children from Years 1 & 2 visited Colham Manor School for a Science Day involving other local schools. The children had the opportunity to handle beetles, snakes, scorpions and they also felt an anaconda's skin and a crocodile's mouth.

GRoW

Get ready for work

In terms of success Charville Academy has been one of the highest achieving settings. Of the twelve parents who attended a full GRoW programme five have moved into work - and one has gone back to complete a level 2 course at college.

Upcoming GRoW programme starting at Charville Children's Centre on the 5 March 2019 for four weeks.

Please make contact with the Children Centre staff with regards to booking a place.

COFFEE MORNING

At coffee morning this week we had a really informative session around mental health and strategies for dealing with emotions. Many thanks to Miss Pickering for a really interesting presentation and for the handouts. Next week we will be having feedback from Arts Week and there will be children from all year groups sharing what they have been doing.

We look forward to seeing many of you then.
