Dear Parents / Carers

January 2020

Please find enclosed the Year 4 timetable detailing your child's weekly Home Learning programme. Home Learning is issued on a Friday and returned the following Wednesday. Home Learning should be completed using a blue handwriting pen.

Please ensure they do this Home Learning in a suitable environment away from distractions. Your child should be able to complete this Home Learning with limited help. Please monitor their work and if they are struggling offer encouragement and appropriate help. The times given are approximate. If your child is taking far longer than estimated please write a comment about their difficulties on the Home Learning. If your child is unsure of what to do please ensure your child asks their teacher for guidance before the day it is due in. It is very important to encourage your children to practise and recall times table facts to x12 at speed.

Please use the following websites to practise times tables:

Throughout the year pupils, across the school, will be provided with opportunities to complete Home Learning, relating to the creative curriculum. For example: Science week, Arts Week, etc.

Our aim in Year 4 is to give Home Learning to consolidate their learning in class. Thank you for supporting us in raising achievement.

Thank you
